If the call does happen this weekend, you might want to call Brian to see if he wants to participate. He has the most knowledge, including OGC's take, and may be helpful in discussions with Federeal Highways and CDOT. Given it is the weekend, he may not be able to but I think he would appreciate the call.

I talked to the Chief Counsel this morning. FHWA and CDOT management may want to set up a call over the long weekend to discuss our letter, but Tuesday morning at the latest. He'll get back to me, so stay tuned.
